To Whom It May Concern,

I am taking this opportunity to stongly encourage your church to give consideration in calling "Enoch" of Piano Praise International for a concert of rich music and inspiration.

Our church recently had the privilege of being inspired by Enoch's piano artistry. He brings you to the throne of God through the avenue of his playing and in sharing of his personal testimony. Our people really enjoyed our time together, and were very responsive to Enoch's spirit and presentation.

Enoch has been given a great talent, and he has chosen to use it in spreading the gospel of Jesus Christ through music.

Let your church have a praise feast and invite Enoch to lead you.

In His Service,

*Gordon Horton
Minister of Music
Port Huronl First Church of the Nazarene*
