Dear Piano Praise staff,

Thank you for giving us the opportunity to host Enoch in concert. Though we had not heard of Enoch Fernando, after receiving the telephone call from his booking agent, we began to anticipate the concert as a great ministry event for our church and community. The publicity literature only served to heighten our excitement as we began to believe it was a God-send. We were glad to be able to advertise for the concert.

We are not accustomed to having world class talent perform in our small town, let alone minister in our small church. However, from the moment Enoch arrived his top-notch professionalism was only surpassed by his personal charm and Christlike humility. That was both a comfort and a blessing to me and our concert support team. We wanted everything to be just right and Enoch put us all at ease. Then the concert started.

The time went by quickly as Enoch's fingers moved up and down the keyboard in glorious praise to our Lord. His interaction with the audience was sensitive as well as enthusiastic and his testimony ... really was inspiring. His use of live music, recorded accompaniment and dynamic video, all at the same time, was truly remarkable ... and very apropos.

On behalf of our entire congregation I would heartily recommend Enoch Fernando. If any church (of any size) feels they could benefit from a Spirit-filled, awe inspiring, heart touching and soul moving concert experience, I can't imagine a better booking. **Praise the Lord for Enoch – for his talent and his devotion to Jesus Christ.**

Yours truly,

Rev. Kevin B. Klucas, M. Div., Pastor •
