Croswell Wesleyan Church

To Whom it May Concern:

My name is Ryan Budde, and I am the Pastor of Croswell Wesleyan Church. We are a small-town church of about 300-320 people who love the Lord and His people.

Recently we were blessed to have Enoch Fernando come to our church and minister in music to us. Enoch showed us his heart for the needy and his love for Jesus. His passion for the ministries God has called him to carry out was contagious, and our people were completely impressed with his gift of music.

We enjoyed a great time of refreshing and blessing as Enoch played both contemporary worship choruses and classic hymns of the faith. His humor and his skills were greatly appreciated and a real blessing to our congregation.

I would like to recommend to you that you invite this gifted man of God to come and minister at your church. I know he will be used by God to bless your hearts, and your people will enjoy a time of refreshing in their spirits.

I am more than willing to talk to you about Enoch and the impact he made on our church in even more detail if you'd like to call me. I only wish words could express how great this ministry was for our own church's attitude of heart.

May God richly bless your church as you continue to minister to the needs of your community.

In Christ,

Pastor Ryan N. Budde
Senior Pastor Croswell Church
